From the teachers:

This is the last week of Home Learning for Term 4. Please return all readers, library books and any other classroom equipment by Friday.

A special Thankyou to all parents and caregivers for your help and support over the past year😊

Make Your Own Homework Sheet

Design your own Home Learning Sheet.

Use your imagination to think of some interesting activities. You could design a maths sheet or a spelling game, e.g. word search or crossword. You could create a topic word find using this grid.

Activities will be shared with a partner on Friday.

Have Fun.
